

Annual General Meeting Highlights

For everyone who was not able to join us at the Annual General Meeting on June 5th here is a review of the major points:

Budget - A balanced budget was presented by the board and approved by the membership. The University of Calgary Swim Club membership fees saw a minor increase of 5% for the 2008-2009 season. Fundraising responsibilities was decreased in the development program and will remain the same for the age group and national programs. The total increase to our membership when evaluating the membership fee and the fundraising responsibilities for each family is only **2%!!** This is one of the benefits of moving into the University pool from the Talisman Centre which saw some high rental hikes passed down to the user groups.

President's Message - Congratulations To Our 3 Olympians – Mike Brown, Adam Sioui and Joel Greenshields. Club President Howie Lowenstien formally congratulated our 3 Olympians and wished them well on behalf of the club.

Call for Senior Officials – parents are encouraged to work towards attaining their senior level official courses to ensure we have a strong base of officials to run our meets for the upcoming years.
